

# 4Life Transfer Factor® Immune Spray

Mouth and throat spray with colloidal silver\*

- Supports the immune system’s natural ability to recognize, respond to, and remember potential health threats\*
- Increases the number of immune cells within the body, promoting a stronger, more resilient immune system\*
- Contains no artificial colors, flavors, sweeteners, or preservatives

## What Is 4Life Transfer Factor Immune Spray?

4Life Transfer Factor Immune Spray combines the immune-boosting power of UltraFactor® and NanoFactor® extracts with additional ingredients that promote immune system function, including colloidal silver, zinc, and lactoferrin. This easy-to-dispense throat spray also contains aloe vera and marshmallow.\*

## Key Features

- Educates immune system cells with the power of UltraFactor and NanoFactor extracts\*
- Includes other immune-boosting ingredients, like lactoferrin, zinc, and colloidal silver\*
- Is available in mint and orange flavors

## Primary Support:

Immune System\*

**DIRECTIONS:** Shake and spray into mouth nine (9) to ten (10) times. Swish around mouth for 30 seconds and swallow. Repeat up to four (4) times daily.
