What Is Pro-TF?

Pro-TF is an exclusive protein blend to help you transform your body so you can enjoy a more active and vibrant life.* Pro-TF is the only protein supplement that contains 4Life Transfer Factor. With its smooth and creamy vanilla flavor, Pro-TF is a delicious and versatile way to get your daily protein, whatever your fitness goals.*

Every 2-scoop serving of Pro-TF provides 20 g of one of the most advanced and effective proteins for supporting lean muscle and maintaining a healthy weight.* Pro-TF has been independently and university-tested to support increased nutrient metabolism, healthy fat loss, and muscle function.† Pro-TF also bolsters the immune system response.*²

Gram for gram, Pro-TF protein blend is superior to whey protein concentrate, the gold standard whey protein, in the areas of fat burning and macronutrient metabolism.*[†]

Primary Support:
Muscle, Sports Performance during training*

Secondary Support:
Bone, Immune System*

Pro-TF Vanilla Cream

How much protein do you need each day?

First: Determine your goal body weight in pounds.**

Second: Determine your activity level and how much protein you need.

To determine daily protein intake in grams, multiply body weight in lbs by:

0.4–0.5

(children and sedentary adults)

0.6–0.9

(moderately to highly active adults)

1–1.33

(athletes and bodybuilders)

**Choose a goal body weight within 40 lbs of your current body weight. Recalculate your protein needs as you reach this goal.
