

4Life Transfer Factor™ RenewAll®

Soothing skin gel

Features soothing and nourishing ingredients to settle and correct imperfections for improved skin texture while moisturizing skin

What Is 4Life Transfer Factor RenewAll?

Moisturize and enhance the appearance of your skin with this soothing gel that combines 4Life Transfer Factor with aloe, rosemary, chamomile, lavender, and more into an easy-glide topical gel that improves the look and feel of your skin.

Key Features

- Contains 4Life Transfer Factor
- Settles rough skin with soothing ingredients
- Supports against skin dryness
- Contains robust emollients and skin conditioning agents to condition skin and beautify skin's surface barrier, while helping to correct imperfections
- Paraben free
- Appropriate for most skin types
- Great for sensitive skin
- Dermatologist tested for mildness
- Never tested on animals

Key Ingredients

- *Aloe*: Soothes and conditions skin
- *4Life Transfer Factor*: Adds elegance and smoothness to the formula
- *Lavender*: Creates a calming olfactory experience
- *Chamomile*: Provides skin soothing and conditioning properties
- *Panthenol* (Also known as pro-vitamin B5): Acts as a humectant that can draw vital moisturizing properties to skin's surface layers and provides a settling effect on rough skin
- *Allantoin*: Provides skin-soothing and conditioning properties, especially for those who have sensitive skin
- *Glycerin*: A naturally occurring substance in skin that helps it retain moisture, adds elegance and glide to skincare formulations, and is excellent for correcting dry skin
- *Eucalyptus extract*: Provides skin-conditioning benefits and an invigorating sensory experience when applied to skin

Primary Support:

Skin Health & Beauty

DIRECTIONS: Apply freely to desired skin areas.
